DualPDF Reader – Complete User Guide & Tutorial

High-Performance Dual-Pane Reading, Synced Auto-Scroll & Instant Vocabulary Generation

1. Overview

DualPDF Reader is an advanced Android reading environment designed for language learning, study, and research. It pairs your main book with a vocabulary PDF or an embedded Google Web Search browser in real-time.

2. Upper Main Ribbon Controls

Button	Function & Description
B	Add Bookmark: Saves reading position along with a 25-word page snippet and creation timestamp.
BL	Bookmark List: Opens saved bookmarks dialog showing timestamps and 25-word text previews.
Both/Book/Vocab	Split Mode: Cycles view between Dual Pane, Single Book, or Single Vocab view.
Z	Zen Mode: Enters distraction-free view with a docked right-edge control strip.
SR	Synced Reading: Toggles 1:1 real-time bidirectional scroll synchronization between Book and Vocab panes.
AS	Auto Scroll: Gentle continuous auto-scroll at 1 viewport height / 5 minutes without blocking touch dragging.
Sync	Sync Position: Instantly jumps Vocab pane to match current Book page using exact page-mapping array.
G:Vocab / G:Google	Vocab Mode: Toggles lower pane between Vocab PDF and Google Web Search browser.
T	Theme Toggle: Switches Dark/Light mode with high-contrast color inversion.
R:C / R:P	Reading Mode: Toggles Continuous vertical scrolling or Page-by-Page mode.
V:PDF / V:TXT	View Mode: Toggles vector PDF page rendering or plain text extraction.
H	History: Opens recently read books with First Opened / Last Closed timestamps and *Del vocab* option.
O	OCR: Applies ML Kit OCR to create a searchable text layer in scanned PDFs.
OB / OV / LV	Open Book / Open Vocab / Load Vocab (Instant 2-page preview + background full build).

3. Key Innovations

• **Instant 2-Page Vocab Preview**: Generating a vocab PDF creates an instant 2-page preview (~0.1s) while building the full document in background.

• **Google Web Search Navigation**: System back gesture stays inside Google search history instead of exiting the app. Prominent Back/Forward/Reload controls included.
